Sub: Detention of III Semester Mining and Civil Engineering Students from taking III Semester examination in the month of December-January 2011-12.

- Ref:**
1. CSVTU Letter no. CSVTU/Affil/2010-11/2028 dated 06.09.2011.
 2. Inspection report submitted by the Inspection Committee for the year 2011-12. Date of Inspection 17.09.2011.
 3. Show cause notice no. CSVTU/Admn/2011/2187 dated 23.09.2011.
 4. Show cause notice no. CSVTU/Admn/2011/2701 dated 02.11.2011.

With reference to above, the University has found deficiencies of serious nature with respect to the laboratory facilities and faculty in the institute, especially in Civil and Mining Engineering disciplines. The deficiencies are as below:

1. As per your letter dated 11.11.2011, you have admitted that, the two faculties in mining department viz. Mr. Geet Chaturvedani and Mr. Sandeep Kumar Singh, who are not eligible to be appointed as faculty members as per AICTE norms, but they have been teaching in your institute and have covered 75% of the syllabus, which is in complete violation of AICTE norms.
2. The other two faculties in mining department viz. Mr. Rajnikant and Mr. Sunil Kumar Singh mentioned by you as your faculties is totally wrong and false information because Mr. Sunil Kumar Singh is working as part-time lecturer in Government Engineering College, Bilaspur since 14th October 2003 till date. This has been certified by the Principal GEC, Bilaspur and Mr. Sunil Kumar Singh has also confirmed this in his letter to the University. He has specifically mentioned that he never served the Central Institute of Technology in any capacity. Secondly, Mr. Rajni Kant never joined your institute as he told to the University authorities on phone.

3. The fifth faculty shown as HOD of Mining Engineering, viz. Ms. Alka Mishra having basic qualification of M Tech Geology, does not fulfil the requirement to be considered as faculty in Mining Engineering as per AICTE norms.

In light of the above mentioned facts it is very much clear that you do not have any faculty in Mining Engineering since the start of the academic session.

4. In the Civil Engineering you have appointed only one faculty on 11.10.2011, which is also a total violation of AICTE norms and university Ordinance no. 14, Clause 5.0 and 7.0.

Looking into the above deficiencies not being complied by the institution till date, the University has decided to **detain III Semester Mining and Civil Engineering Students from taking III Semester examination in month of December-January 2011-12** with immediate effect.
