Subject: CAD/CAM/CAE/Skill upgradation Short-term training programs at CIPET, Raipur- Reg

Sir/Madam,

Central Institute of Plastics Engineering & Technology (CIPET) – a premier ISO 9001:2008 QMS certified, NABL, ISO IEC 17020 accredited institutions established under the Department of Chemicals and Petrochemicals, Ministry of Chemicals and Fertilizers, Govt. of India-focus on “Academic, Technology Support & R&D activities”(ATR) for the benefit of plastics and allied industries in the country. CIPET has its centers at 29 locations across the country with its head quarter at Chennai.

CIPET has established its new center at Apparel Park, Industrial Area Bhanpuri, Raipur with the support from Govt. of Chhattisgarh having special focus to provide employment oriented skill development training to the Unemployed/Underemployed youths of Chhattisgarh & to provide technical support service to plastics and allied industries. The facility will be utilized for imparting specialized training on tool, die, mould making, plastics processing & its applications, design, CAD/CAM/CAE, maintenance, quality control, testing, development.etc.

In this endeavor, CIPET Raipur is going to conduct the specialized training program for B.tech, Diploma, ITI students in the field of CAD/CAM/CAE which will be beneficial for the upgradation of their technical know-how.

Hence, you are requested to kindly peruse the enclosed profile to utilize our facilities and suggest your students for the same. The spectrums of short term training are enclosed herewith for reference. The enclosed brochure may be placed on your institute notice board for creating awareness among the students.

Apart from the above, the final year Diploma & ITI students can also accomplish their project work on CNC Machines (CNC lathe, CNC milling, CNC wire cut & CNC EDM etc).Machine maintenance using Hydraulics & Pneumatics, Product Design & mold flow etc.

Please feel free to contact the undersigned for any further clarifications.

Thanking you and assuring our best services at all times.

With warm regards
Yours Sincerely,

Rajiv
