Address:-Abhanpur-Patan – Durg Rd,

BHILAI, Chhattisgarh-491107

Dear Sir/Madam,

National Institute of Technical Teachers Training and Research (NITTTR) Chandigarh is a resource Institute under MHRD GoI for conducting training of Technical Teachers and Students of Engineering Colleges and Polytechnics in the country. It is a high time to improve the quality of education and training of the Technical Institutions to attract adequate number of Students towards Diploma and Engineering courses. Some of the specialised training of students may help them to acquire skills required by the growing industries of the country. In order to improve the quality of education we need to train the teachers in technical areas as well as in pedagogical skills (teaching-learning skills) with especial emphasis on soft and employable skills.

In order to fulfil above demand, NITTTR, Chandigarh is running various training programmes for the technical teachers and students of engineering colleges and polytechnics. It is a good opportunity that you can train your teachers and students by two modes of training.

- The contact mode training programmes which can be organised at NITTTR, Chandigarh (See the institute website; www.nitttrchd.ac.in). A limited number of teachers from government as well private engineering colleges and polytechnics may join the programme at NITTTR Chandigarh with prior permission from the respective course co-ordinator.
- Information Communication Technology (ICT) based training programmes which can be organised at your centre if you have some basic facilities like 5 mbps internet connectivity, seminar hall with modern media facility like LCD projector and sound system. In this case your institution can become remote centre and live streaming is possible from NITTTR Chandigarh. **It is free of cost.**

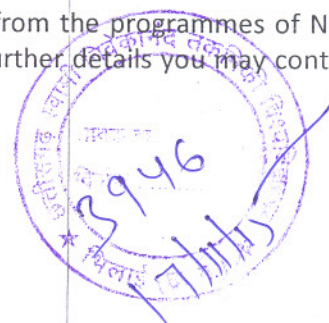

You are requested to get maximum benefit from the programmes of NITTTR, Chandigarh. The list of the Programmes is attached. For the further details you may contact the undersigned on the given numbers or email-ID.

Thanking you,

Dr U N Roy
20/10/15

(Dr U N Roy)

Liaison Officer, UP State

**List of ICT (Video Conferencing Mode) based Training Programmes for the Teachers and Students
By NITTTR Chandigarh from Oct 2015 to March 2016**

Note: For Contact Mode Programme: See the website: www.nitttrchd.ac.in
